

PSHE at Cavendish School

Our PSHE programme is designed to improve pupil's knowledge and make quality informed life decisions. Using the Jigsaw programme our journey starts in year 1 in our primary phase and continues all the way through to year 11. For those who join our programme in year 7 our syllabus is still relevant. As PSHE is now a statutory core subject we have ensured the content of each term is in line with national guidelines so will match what other schools have taught.
